

Peter Beck Profile

An ambitious, proactive Quality Professional with over 30 years' experience. Peter is a 'hands on' team player with leadership experience and high ability to deliver results. He relishes the challenge of helping organizations to improve; people to improve their knowledge and skills and organization improve their results.

A background of being a Police Detective and building deep sea saturation diving systems, gave Peter an eye for detail, tempered with the ability to still 'see the wood for the trees!'

Key Qualifications & Attributes

- A Certified Quality Manager of Organizational Excellence (ASQ CMQ/OE).
- Designed, implemented and certified over 250 Management systems over a period of 25 years, with a 100% "pass" record. These were mainly in Quality Management, with an integrated approach including Environment, Occupational Health and Safety, Food Safety, and Laboratory Management Systems.
